

# Eureka

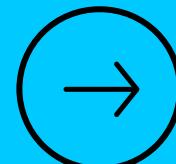

**Property rights and funding for science in Argentina.**

# How is scientific research funded in Argentina today?

- 68 NOBEL LAUREATES SOUND ALARM AS ARGENTINA CUTS FUNDING – REUTERS
- ARGENTINA'S SCIENCE BUDGET FALLS TO LOWEST LEVEL SINCE 2002 – UPI

EUREKA

# If you are a scientist...

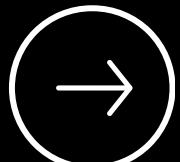

CAN YOU PATENT (IP) YOUR DISCOVERIES?

- REALLY BUREAUCRATIC
- EXPENSIVE
- TAKES BETWEEN 1 AND 3 YEARS
- YOUR IDEA CAN BE STOLEN

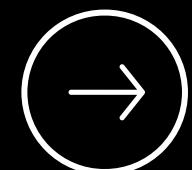

We found a  
solution,  
**Eureka!**

# How it works?

- Patent and research on-chain and private.
- Agreement with legal regulations in Argentina.
- Account abstraction for non-blockchain scientists.
- Marketplace of patents.

EUREKA

# Community-Powered Research Funding

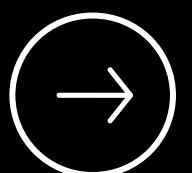

- Create crowdfunding campaigns to finance your ideas.
- Investors make your project possible.
- Distribute shares to project's investors.

# What if I want to create a free-to-use patent?

You can do it.

It becomes a donation campaign.

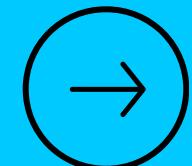

# DeSci Is Working:

- MOLECULE AS PROOF OF TRACTION
- \$170M+ ECOSYSTEM MARKET CAP
- \$7.85M TOTAL FUNDED

# Our Differentiators

- Argentina-specific legal compliance.
- Patent marketplace.
- Filecoin Storage.
- Privy Login. Account abstraction.

# Team:

- Carla Boggio
- Ariel Corte
- Marko Kinter
- Franco Cerino
- Manuel
